

Work. Experience Whilst you study

AMNICK SOCIAL ENTERPRISE

is offering quality work experience that you can do from your own environment, and at times that suit you, and work completely around studies and other commitments.

Much of our experience brings you into contact with future employers (local authorities, private sector (IBM, Capita, Veolia, Consultancy and law firms, recruitment companies, advertising agencies) Education and Health organisations, Charities and not for profit organisations. All of which can help provide a foot in the door.

The areas we can help offer this experience in includes: Admin, Customer Care, Management, Marketing and Sales, IT/Web Development, Legal, HR, Project Management, Media/Journalism to name a few areas.

If you can offer a minimum of 6 hours a week upwards (around your own convenience) and have access to computer and internet we would like to hear from you. Just tell us your area of interest and will help to accommodate you.

In the first instance please send your CV to basanti@amnicksocial.co.uk and also see our website www.amnicksocial.co.uk and also our national share and support campaign www.uktsc.co.uk
