

Strategic Intelligence in Central Eurasia
www.obi-consulting.eu

Participation in a project

About the company:

„OBI-Consulting“ Ltd. is a company specialising in a business intelligence sector. We are implementing market analysis and strategic intelligence surveys in Europe. We are based in Western Europe (France) and in Eastern Europe (Lithuania, headquarter and in Ukraine). You can read more on our site: www.obi-consulting.eu

Work description:

We are looking for a last year student who is interested to participate in a large international project by helping us in contacting several Hungarian institutions and associations. The cooperation with us would last until the end of our project (end of March 2012) as well as services of assistance and overall support could be implemented in part time in parallel of main job/activities.

Reiquirements:

Self-confidence, native **Hungarian** speaker and good English language skills.

If You are interested and for further details please send your CV to:
