

**Are you interested in coordinating  
and leading development projects?**

## **Apply to our Junior Talent Program in Veszprém!**

After graduation the engineers often do not have the possibility to apply for project coordinator jobs as they are usually held down inside the company by employees having experience gained during years.

Continental provides opportunity for engineers who have engineering approach and would like to deal with the coordination of projects and project teams.

### **Do you want to take part in a time travel in your career?**

In order to be able to bridge over the lack of experience gained during years our company has launched a Junior Talent Program. The participants who fulfill the 9 month long program can easily fit in the Continental team and will be able to coordinate complex engineer tasks and future development projects nationwide.
