

Order Management Intern with Hungarian

In this role, you have the opportunity to

Become a part of first PH Team in Philips GBS which are responsible for end-to-end sales orders maintenance for the Hungarian Market. You will assist the entire order delivery process placed by Key Markets through pro-active collaboration with other Supply Chain functions such as, Finance, Planning, Logistic, also Project Management and Sales.

You are responsible for

- Management of sales orders and claims
- Resolving with multiple stakeholders any sales orders blockers, such as: master data, pricing or availability issues
- Creation and maintenance of return orders – in close cooperation with our logistic partner
- Responding to various e-mail queries affiliated with order management

To succeed in this role, you should have the following skills and experience

- Student of at least 2nd year of studies
- Availability to work 30-40h/ week
- Fluent Hungarian & English, written and spoken (at least B2)
- Good knowledge of Excel. Some SAP experience will be a great plus
- Great communication skills, eye for details, well organized

In return, we offer you

- Paid 6 months internship based on civil contract
- Flexible working hours
- Possibility to use Hungarian and English in everyday activities
- Building your career in an international company that brings innovations that matter to you
- Fast-paced oriented work in an international environment
