

International Club at the Library (ICL)

Dear Students and Fellow Professors,

On behalf of the University of Pannonia, we invite you to join the international community that meets on select Wednesdays at 16:00 at the University Library.

This rationale behind the project that started in the autumn of 2021 was in response to many international students and tutors at the University of Pannonia's four Veszprém-based faculties who were unaware of those coming from other countries who study or work at other faculties.

Due to this disconnect, communication among people representing different cultures was limited, as was the possibility of forming acquaintances with Hungarian students and colleagues.

Therefore, creating an opportunity to come together and socialize would be welcomed by those interested.

This term's first get-together will take place on Wednesday, October 5th, at 16:00 at the University Library on Wartha Vince Street and Jozsef Attila Street campus.

We'll have:

- some ice-breaking activity,
- a short presentation on an aspect of Hungarian culture,
- a short presentation of a country that participants come from or a special day in the particular culture of those who join us.

There will always be some time for open conversation, that is, socialization.

Therefore, we ask you to send an e-mail to poor.zoltan@mftk.uni-pannon.hu to let us know if you are interested in joining the ICL.

Please include the following information in your e-mail:

- Full name
- Nationality / citizenship
- E-mail address
- Mobile number (in Hungary)
- The date when you can first attend an ICL event.
 - October 5th, 2022
 - October 19th, 2022
 - November 9th, 2022
 - November 30th, 2022
 - December 14th, 2022

We look forward to meeting you!
