University of Pannonia announces a tender of Student Mobility for studies as part of the Erasmus+ programme. The earliest time to take part in the programme is **the autumn semester of year 2023/2024** in the contemporary tendered period.

With the Erasmus+ mobility programme students studying on Bachelor`s, Master`s or PhD level have access to 12 months of Student Mobility and Traineeship programmes:

- **3-12 months on educational purposes** and/or
- 2-12 months on purposes of traineeships.

Erasmus+ programmes spent earlier count into the frame of 12 months.

Additional grants can be applied for by those who:

- are disabled or have lasting illness
- are socially disadvantaged students.

Eligibility:

- have Hungarian citizenship or valid residence permit
- are registered students of University of Pannonia
- have one finished semester at least
- have active student status in the tendered period, or
- after finishing their studies there is a desire to take part in Traineeship; the Erasmus+ grant is to be gained as a student (before having a degree and with active student status)
- study on Bachelor's, Master's or PhD level or attend higher-level vocational training
- are full-time or correspondent students in the Sending Institution
- are professionally prepared and own the language skills needed. Unless the applicant has B2 language exam from the language of the traineeship, a language level assessment is necessary. The successful assessment is the requirement of the mobility.

Required documents for the application:

- English application form
- Curriculum Vitae, Motivation Letter
- one ID photo
- Result of the latest closed semester printed out from NEPTUN (transcript), certified by the Directorate of Academic Affairs
- Language exam(s) accepted by the state and its copy/their copies
- Letter of Recommendation
- Achieved results, prizes, places on other contests(optional)
- Certificate of common professional, community, cultural or sports activities(optional), catalogue of earlier Student Mobility or Traineeship Programmes.

The list of the required documents can be found on the website of University of Pannonia:
(<http://www.uni-pannon.hu/index.php/hallgatok/erasmus>)

Application is possible only to those Partner Institutions which have a valid contract with University of Pannonia. The list of Partner Institutions can be checked on the website.

The applications are evaluated on an institutional level. Applications must be **filled out electronically**, printed and submitted in plastic wallet, **without stapling the paper**.

Monday 9-11h

Tuesday 13-15h

Wednesday 9-11h; 13-15h

Thursday CLOSED

Friday 9-11h

General information

1. Overview

The Aim of Erasmus+ Student Mobility is that the participating students gain experiences on an educational, lingual and cultural level in the Receiving Institution of the other country.

Student Mobility for Studies needs to help the educational progression and to develop the personal abilities of the student.

2. Eligibility

Registered university students with Erasmus Charter for Higher Education certification.

3. Activities to be supported

- University students' Mobility for Traineeships (2-12 months)
- Combination of Student Mobility and Mobility of Traineeships (3-12 months)

4. Participating Countries

Member states of the European Union (Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, United Kingdom, Estonia, Finland, France, Greece, The Netherlands, Croatia, Ireland, Poland, Latvia, Lithuania, Luxembourg, Hungary, Malta, Germany, Italy, Portugal, Romania, Spain, Slovakia, Slovenia, Sweden).

Non-EU members taking part in the programme: Macedonia, Iceland, Liechtenstein, Norway, Turkey.

5. Requirements

- The higher educational institution of the student has ECHE certificate.
- The student possess Hungarian citizenship or studies in the institution in order to have a degree.
- Mobility application is only accepted in the second year of studies.
- The student passed the institutional evaluation.
- The language competence of the student will be checked with the method of European Commission (online evaluation both before and after the mobility).
- Student Mobility can be combined with Traineeship. This means that traineeship has to be done in the same institution as Educational Mobility; the two activities need to be done after one another. Grants of „combined period” are equal with the grants of Educational Mobility.
- The maximum mobility period is 12 months (even in the case of „zero grant” mobility). Previous mobility period in LLP counts as mobility period too (even in the case of „zero grant”)!)
- A written learning agreement must be signed and approved by both parties. The activities during the mobility need to fit into the curriculum of the student.
- At the end of the mobility the Receiving Institution has to issue a Transcript of Records.
- The Sending Institution is responsible for accepting fully the activities finished, certificated and undertaken in the contract.
- Students spending their semester abroad are entitled to receive educational scholarship or loan disbursement at their Home Institution.

6. Priorities

- Improving skills and key competencies such as entrepreneurship, digital competencies, multilingualism, new and learning-centralized teaching methods.
- Helping information and communication technologies to improve in education, especially the accessibility of opened teaching helping materials.

- Developing the clarification and acknowledgement of skills and education.
- Helping the investments and financial grants on the field of education, training and improving skills; encouraging the discussion of investing in education and training effectively and sustainably on a national and European level.
- It is an important aspect of higher education to support the modernization of European higher educational systems determined in the EU's Higher Educational Plan of 2011.

7. The amount of grants

Types of budget being part of the grants:

Grant for special needs: counted by the real budget for participants with disabilities

Supporting the improvement of language skills: possible from the organization grant if the language is out of the supported languages of European Commission.

Amount of student scholarship:

Countries with high cost of living: 520 Euros/month (Denmark, Finland, Ireland, Iceland, Liechtenstein, Luxembourg, Norway, Sweden, United Kingdom)

Countries with medium cost of living: 520 Euros/month (Austria, Belgium, Cyprus, Germany, Greece, Spain, France, Italy, The Netherlands, Portugal, Malta)

Countries with low cost of living: 470 Euros/month (Bulgaria, Czech Republic, Croatia, Estonia, Latvia, Lithuania, Poland, Romania, Slovakia, Slovenia, Macedonia, Turkey)
