## OATH TAKING OF THE GRADUATES

"I...

as a graduating student of the University of Pannonia I do solemnly swear that during my future professional activity I will abide all the rules of scientific and ethical behavior.

I will do the best of my ability to continuously develop the knowledge acquired at the University and put this into the service and to the benefit of mankind.

I will remain faithful to the spirit and traditions of the University and I will contribute to the increase of its fame."
